Application No. 10/036,066  
Paper dated February 7, 2006  
Attorney Docket No. 3936-011568

Applicants respectfully request that the following summary of the interview be made of record.

Applicant's attorneys suggested amendments to overcome the prior art and to clarify the claimed invention. The proposed amendments regard reciting two separate devices. The first device comprises delivering a multiplicity of dots and the second device comprises generating the sample aerosol and simultaneously delivering the aerosol to the multiple dots of the assay. The Examiner stated that a new search and consideration will be given should the proposed amendments be submitted in an RCE.

Entry of this Summary is respectfully requested.

Respectfully submitted,
